

Conferences

We offer comprehensive meeting facilities in one of the most popular and strategic locations in Batam, an ideal venue within everyone's reach. Surrounded by major banks, authentic local markets, close to the city's renowned tourist attraction and shopping malls make us the perfect choice for taking your business into the future as we strongly believe our esteemed clients can certainly raise their profile, get noticed and remembered.

Business can be mixed with pleasure if you take advantage of our meeting facilities with delegates having the opportunity to stay overnight to unwind after a productive day to make use of the hotel facilities and dine in our cozy à la carte restaurant, featuring Asian and Western favourites at competitive prices.

Perfect setting for any event whatever the budget with wide variety of meeting packages could be tailored to perfectly meet your needs. Whether it be a breakfast meeting, business function or even your monthly management meeting that you've no space for in-house we are glad to welcome you.

Layouts and Capacities

Flexibility is the key at 89 Hotel. Additional furniture and audio visual facilities can be hired upon request. In the mean time, Our friendly and attentive staffs are always at your disposal to ensure the success and quality of your event.
